Red Cross**

Funding Amount: \$5,000
1-year grant

Description of Program Services: Provides for the basic disaster caused emergency needs such as food, shelter, and clothing to local disaster victims in Escambia County.

Significant Statistics: 76% of disaster victims are uninsured. This high rate increases the likelihood that homelessness would increase if the American Red Cross were unable to intervene. In Fiscal Year 2015, the American Red Cross provided \$48,693 in direct assistance to disaster victims in Escambia County, including provisions for families, such as food, clothing, medications and shelter.
