United Way Funded Program:
Emergency Assistance Program

Funding Amount: \$22,500
1-year grant

Description of Program Services: The Emergency Assistance Program solves financial crisis through case management and financial literacy, thereby preventing homelessness, providing families with tools to overcome crisis, manage income, and strengthen family stability.

Impact Area: Financial Stability

Significant Statistics: According to the U.S. Census Bureau, 15.4% of the population in Escambia County, or approximately 48,539 people, live below the federal poverty guidelines. Families and individuals with low income do not have sufficient resources to meet their basic needs.
