

## **Catholic Charities of Northwest Florida**

**United Way Funded Program:** Circles Northwest Florida

**Funding Amount:** \$20,000  
1-year grant

**Description of Program Services:** This program is a multi-faceted prosperity initiative. Our mission is to equip families with the tools necessary to leave poverty and become self-sufficient.

**Impact Area:** Financial Stability

**Significant Statistics:** In Escambia County, 15.3% of the population, or approximately 56,000 people, live below the federal poverty guidelines. Families and individuals with low income do not have sufficient resources to meet their basic needs. The Circles Program has a well-trained team of professionals and volunteers who teach participants how to build financial, emotional and social resources while working with community leaders to encourage policies that uplift and support a family's path to prosperity.
