

Chain Reaction

United Way Funded Program: Chain Reaction

Funding Amount: \$26,250
3-year grant

Description of Program Services: This is a teen education program that uses volunteerism as its teaching tool.

Impact Area: Education

Significant Statistics: According to a study by the National Center for Education Statistics, approximately 60% of students who volunteer have an “A” average in school. Chain Reaction helps improve results among high school students by improving academic achievement that occurs when teen leaders strengthen personal skills through volunteerism combined with character education.
