

FavorHouse of Northwest Florida

United Way Funded Program:
Domestic Violence Shelter

Funding Amount: \$17,500
3-year grant

Description of Program Services: This program provides literacy/educational classes, minimum of eight weeks safe residential living, food, clothing, transportation, safety planning, housing referrals, and counseling without cost for domestic violence survivors.

Impact Area: Financial Stability

Significant Statistics: Escambia County is ranked number 1 on the list of the top 10 counties for domestic violence. During 2014, 3,201 incidences of domestic violence were reported in Escambia County including six domestic homicides. FavorHouse provides domestic violence intervention through a crisis line and emergency shelter 24 hours per day, 365 days a year. Provision of safe shelter decreases homelessness and promotes economic stability among domestic violence victims and their children.
