United Way Funded Program:
Healthy Seniors Food Program
at Westminster Village

MANNA

Funding Amount: \$24,970
1-year grant

Description of Program Services: The Healthy Seniors Food Program provides 9-10 days' worth of nutritious food to qualified Westminster Village residents with limited resources and access to healthy food.

Impact Area: Health

Significant Statistics: Of the 20,303 people that MANNA provided nutritional assistance to last year, 28% were senior citizens mostly 65+ years old. The Healthy Seniors Food Program serves seniors who have limited income, support and access to healthy food. Lack of foods, limited transportation and mobility issues frequently prevent Westminster Village seniors from shopping for food. MANNA provides a 9-10 day supply worth of nutritious foods to qualified residents with limited resources and access to healthy food.
