United Way Funded Program:
Every Adult Achieves Self Sufficiency

Funding Amount: \$17,502
1-year grant

Description of Program Services: Escambia County faces a myriad of needs by disadvantaged families, individuals, and youth, including substantial unemployment and a rate of poverty at 24%. Certified Nursing Assistant (CNA) classes will give low income families a skill to help them move into self-sufficiency. The goal is to help people become educated, find employment and get off welfare programs by providing training in CNA certification.

Impact Area: Education
