HELP CHOOSE THE PROGRAMS THAT RECEIVE YOUR DONATIONS:

VOLUNTEER FOR THE COMMUNITY INVESTMENT COMMITTEE!

Through United Way of Escambia County's Community Investment process, United Way donors come together to make recommendations on how undesignated donations should be invested in non-profit programs that serve in our community.

COMMUNITY INVESTMENT COMMITTEE VOLUNTEERS:

- Are **CRITICAL** to ensuring that contributions from thousands of donors are spent in the most effective way possible.
- **EVALUATE** each program requesting funding, tour the program site and listen to oral presentations where they have the opportunity to learn how the organization operates and how funds are used.
- **VOLUNTEER** an estimated 30-35 hours (March through May).
- Are **DONORS!** Anyone who has made a gift to United Way of Escambia County can help decide where funding is invested for the most community impact. ****If you are not a donor but would like to be, you can make a gift today by visiting unitedwayescambia.org/donate.**
